

WESTERLY PHYSICIAN RETIRES

Dr. Howard Morgan Going to West Orange, N. J.—Farewell Reception to Rev. and Mrs. F. H. Decker—Masonic Burial For Capt. Daniel C. Chester—Higginbotham-Bromley Wedding.

Because of ill health Dr. J. Howard Morgan, for many years prominent in local medical circles and identified with many of the medical associations in the county and state as well as elsewhere, has decided to retire and leave today to make his home at West Orange, N. J., with his daughter, Mrs. Charles Richards. He has had a successful career in his profession. He has for many years taken an active interest in school matters, having been a trustee of the school district, a member of the school committee, besides having been a medical examiner since the law went into effect. Friends regret to learn that he feels obliged to retire. The doctor has the distinction of being the oldest in years and having practiced the longest of any of those in town.

Tuesday evening a farewell reception was tendered Rev. and Mrs. Frank Decker, formerly of this town, at the Church of the Holy Trinity, prior to their sailing for Europe, where they are to study conditions in the interest of the Church house work. Rev. Mr. Decker, who was at one time pastor of the Congregational church here in Westbury, and Mrs. Decker are to be accompanied by Rev. Harry A. Schaeffer, superintendent of the Brooklyn City Mission. The party plans to visit Germany and other European countries to get an insight into existing mission conditions.

The two hundred young boys who were responsible for the reception given in the newly dedicated building presented Mr. Decker a complete touring set to carry on his journey. An entertainment was given during the evening and refreshments were served.

The funeral of Captain Daniel C. Chester, held at his home on Greenman avenue, Wednesday afternoon was largely attended by relatives and friends. The services were conducted by Rev. W. F. Williams, rector of Christ Episcopal church. Burial was in River Bend cemetery. Eugene B. Peterson, Thomas A. Barber, William A. Burk, William B. Austin, Abel P. Randall, and William F. Saunders of Franklin were in the cortege, and Mrs. Higginbotham are to make their home on the West Side.

may dispose of the sewerage and garbage by draining, filtration, cremation, precipitation, or other approved plans, or by any or all of said plans, it being fully authorized to construct, maintain, and repair a thorough, complete and approved system of sewerage and drainage and to use all means known to science to secure and retain the most healthful and wholesome sanitary conditions throughout said district; and such taxes, so ordered, shall be assessed by the assessors of said district, on the taxable inhabitants and property therein, according to the last valuation made by the assessors of the town of Stonington, next previous to said assessment, adding any taxable property which may have been omitted by said town assessors or afterwards acquired; and in assessing and collecting said taxes, such proceedings shall be had by the officers of said district, as near as may be, as are required to be had by the corresponding officers of towns in assessing and collecting town taxes.
